DIRECTIONS FOR USE

To be used only in the manufacture of a pesticide which is registered under the PEST CONTROL PRODUCTS ACT.

FIRST AID:

IN CASE OF EYE CONTACT: Flush eyes with plenty of water. If irritation persists get medical attention or contact a poison control centre.

IN CASE OF SKIN CONTACT: Wash with plenty of soap and water. If irritation persists, get medical attention or contact a poison control centre.

IF SWALLOWED: Do not induce vomiting. Call a physician or poison control centre. If available, administer activated charcoal (30 – 50 g) with a large quantity of water. Do not give anything by mouth to an unconscious person. Immediately transport to medical care facility and see a physician.

IF INHALED: Remove individual to fresh air. If breathing difficulty occurs, get medical attention. If not breathing, give artificial respiration, preferably mouth-to-mouth and get medical attention immediately.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Treat symptomatically.

PRECAUTIONS:

Keep out of reach of children and/or unauthorized personnel. Avoid contact with skin, eyes or clothing. Avoid breathing dust, vapor or spray mist. Wear goggles, face shield or safety glasses and protective clothing such as coveralls and a long-sleeved shirt when handling this product. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

ENVIRONMENTAL HAZARDS:

This product is toxic to fish. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries or public waters.

STORAGE:

Keep in original container during storage. Store product in a cool, dry, well-ventilated place away from seed, feed, fertilizer and other pesticides. In case of leak or spill, use absorbent materials to contain liquids and dispose of waste.

DECONTAMINATION AND DISPOSAL:

Canadian formulators of this technical should dispose of unwanted active ingredient and containers in accordance with municipal or provincial regulations. For information on disposal of unused, unwanted product, contact the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill, and for clean-up of spills.

NOTICE TO USER

This control product is to be used only in accordance with the directions on this label. It is an offense under the Pest Control Products Act to use a control product under unsafe conditions.

This label transcript service is offered by the Pest Management Regulatory Agency to provide efficient searching for label information. This service and this information do not replace the official hard-copy label.
