PRECAUTIONS: KEEP OUT OF REACH OF UNAUTHORIZED PERSONNEL.

Severe eye, skin and respiratory tract irritant. Use full face shield with goggles. Wear cuffed butyl rubber gloves, slicker suit and rubber boots when handling. Use a NIOSH approved vapour respirator under emergency conditions.

FIRST AID: In case of eye contact flush with plenty of clean water for 15 minutes. Contact a physician or poison control centre. If on skin, wash affected areas thoroughly with water. In the event of ingestion, administer 3-4 glasses of milk or water. Do not induce vomiting. Seek medical attention or contact a poison control centre. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

NOTICE TO USER: This control product is to be used only in accordance with the directions on this label. It is an offence under the *Pest Control Products Act* to use a control product under unsafe conditions.

NOTICE TO BUYER: Seller's guarantee shall be limited to the terms set out on the label and, subject thereto, the buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.

DIRECTIONS FOR USE

To be used only in the manufacture of a herbicide which is registered under the Pest Control Products Act.

TOXICOLOGICAL INFORMATION

Contact of undiluted product with eyes or skin quickly causes severe irritation and pain and may cause burns, necrosis and permanent injury. Burns of the eye may cause blindness. Inhalation of vapours may produce chemical pneumonitis, pulmonary edema and delayed scarring of the airway and other affected organs.

Inhalation of vapours may severely damage the tissues and organs of the respiratory tract with possible fatal result. Ingestion may cause; headache, nausea and vomiting. Repeated and/or long term exposures may result in; adverse skin effects (such as defatting, rash or irritation), and adverse eye effects (such as conjunctivitis or corneal damage).

STORAGE

Do not contaminate water, food or feed by storage or disposal. Keep from freezing. Store only in original tightly sealed container and out of reach of children. Keep away from oxidizers, heat or flame.

DISPOSAL

Canadian formulators of this technical should dispose of unwanted active and containers in accordance with municipal or provincial regulations. For additional details and information on the clean-up of spills, contact the provincial regulatory agency or the manufacturer.
