GUARANTEE: Ethanol92.5 %

DANGER: FLAMMABLE LIQUID – EYE IRRITANT

Available information notes that long-term repeated exposure to ethanol may result in the development of progressive liver injury with fibrosis or exacerbate liver injury produced from other causes. Repeated ingestion of ethanol by pregnant mothers has been shown to adversely affect the central nervous system of the fetus, producing a collection of effects which together constitute the fetal alcohol syndrome. These effects include mental and physical retardation, disturbances of learning, motor and language deficiencies, behavioural disorders, and small head size.

DIRECTIONS FOR USE: To be used only in the manufacture of a pest control product which is registered under the Pest Control Products Act.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Inhalation of vapours may cause respiratory tract irritation. Harmful if swallowed or inhaled. Avoid contact with skin, eyes and clothing, as well as inhalation of spray mist. Wear chemical-resistant gloves to handle and apply the product. Wash thoroughly with soap and water after use. Remove contaminated clothing and wash before wearing again. Avoid any contact of the product with food **or feed**. Pregnant women and women planning a pregnancy should not be exposed to this product.

FIRST AID: Inhalation: Remove the source of vapor. Move victim to fresh air. If breathing has stopped, begin artificial respiration. Seek medical attention.

Eye contact: Flush thoroughly with water for at least 20 minutes, holding the eyelid open. Seek medical attention. Remove contact lenses, if present, then continue rinsing eye(s). **Seek** medical attention IMMEDIATELY.
