DIRECTIONS FOR USE:

To be used only in the manufacture of a herbicide which is registered under the *Pest Control Products Act*.

PRECAUTIONS:

KEEP OUT OF THE REACH OF UNAUTHORIZED PERSONNEL. HARMFUL IF SWALLOWED. AVOID INHALING OR CONTACT WITH SKIN AND EYES.

FIRST AID:

EYES - In case of contact with eyes, rinse eyes with clean water for about 10 minutes.

Seek medical attention or contact the poison control centre IMMEDIATELY.

SKIN - Contaminated skin should be washed with soap and water.

INGESTION - If swallowed treat symptoms as they occur. Obtain medical attention or contact the poison control centre IMMEDIATELY.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION:

No specific antidote. Treat symptomatically. Treatment should be based on judgment of the physician in response to reactions of the patient.

STORAGE: Keep in original container during storage. Store product in cool, dry, well ventilated place away from seed, feed, fertilizer or other pesticides. Keep away from fire or open flame or other sources of heat.

DISPOSAL:

Canadian formulators using this product should dispose of unwanted active ingredient and containers in accordance with municipal or provincial regulations. For information on disposal of unused, unwanted product, contact the manufacturer or the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill, and for clean-up of spills.

CLEAN-UP INSTRUCTIONS

Cover spillage with an industrial absorbent or sawdust. Sweep up thoroughly and place in a labelled container for safe disposal. Avoid entry of the material into sewers or watercourses.

NOTICE TO USER - This control product is to be used only in accordance with the directions on this label. It is an offence under the *Pest Control Products Act* to use a control product under unsafe conditions.

This label transcript service is offered by the Pest Management Regulatory Agency to provide efficient searching for label information.
